JUST ONE MOMENT

Words and music written by Marc Corey Lee

'I really like your music,' she said with a smile
The other night it made me cry for a while,
But it's alright
I'd really like to get a picture with you
I'm kinda nervous...anyplace will do

Her laughter filled my senses and her blue eyes filled my mind
I tried hard to forget but then I fell in love
For just one moment

She said, 'my name is Jenny...I'm usually shy'
'I go to school down at the college at night'
'I guess it's alright'
She tucked her hair behind her ear when she asked
If I'd like to go out after the show

I pictured in my mind how her lips would feel on mine
She touched my hand and I closed my eyes
And I fell in love
For just one moment, there

I wanted to be someone else
I wanted so much to lie
I looked down at my wedding ring
I smiled and said, goodbye

Her laughter filled my senses and her blue eyes filled my mind
I tried hard to forget but then I fell in love
For just one moment there
